

Cambridge School Weekly Newsletter

Friday 20th October 2023

Dear Parent/Carer,

We have been celebrating Black History Month in school this October and the curriculum has been enriched and enhanced accordingly. Peche Petrie has been responsible for creating some inspirational displays to educate, motivate and stimulate our students and the kitchen staff conjured up a Caribbean feast on Wednesday which tantalized our taste buds and made us all satisfied!

Students have been studying important texts such as Martin Luther King's rousing "I Have a Dream" speech and producing their own contemporary versions. I was particularly impressed by Year 11 Armstrong student Liam Passmore's text which is powerful and persuasive:

I Have a Dream

That one day young boys and girls can walk down the road not scared for their life

I Have a Dream

That young teenagers don't have to risk going to prison or being killed just so they feel safe walking to school in the morning.

I Have a Dream

That people show common decency to one another. To live in dignity and peace. I have a dream...

I Have a Dream

That if we all collectively stand up without a doubt, I believe we can end knife crime together.

I hope that you were as impressed and moved as I was by this high impact piece of writing. I have a dream... that all of our students can achieve similar feats if they are focused and determined. I have a dream... that Cambridge students believe in themselves and show pride in their work. The dream can be realized. This has been a very positive first half term as students have settled into good learning attitudes and habits.

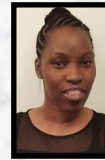

I wish you all a wonderful half term.

Yours sincerely,

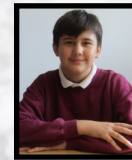

Alan Campbell,
Head Teacher

Stars Of The Week

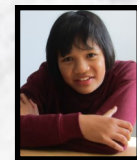

Our Star Of The Week this week is Ebony for her consistent calm and professional approach when dealing with very challenging students.

100% Student Attendance Award
