

Cambridge School Weekly Newsletter

Friday 22nd September 2023

Dear Parent/Carer,

Welcome to our new look newsletter for this academic year. We all know that praise and recognition are big motivators for us all and I want to use the newsletter to highlight the successes of both students and staff. Each week we will be identifying students and staff that have exceeded expectations or gone the extra mile.

We have reached the end of week 3 and the expectations on our learners are being raised a gear around attendance, behaviour and of course learning. Firstly, attendance equals achievement. If students are not in school, they can't progress. Every day missed means a gap in knowledge and skills. Therefore, we encourage you to do all that you can to get your child to school so that they can progress. Remind your child to take ownership of their own destiny. We need to work together to ensure that our learners become responsible and resilient citizens whatever their need, whatever their condition. All of us are able to make better choices, learn new skills and aspire to success. Most of our students are doing the right thing every day, but some need extra guidance and support. We will work in partnership with parents and other professionals to get these students back on track.

Students are making the most of opportunities to learn outside the classroom. Our first two classes attended Evolve in Hounslow to take part in a 12 week fitness programme which will help them get into good habits around physical exercise. Other students will soon benefit from College taster experiences at West London College as they prepare for transition. Others will be taking up off site courses in Vehicle Maintenance and Cycle maintenance as they get ready for the world of work. Student Council elections are looming as we develop student voice within our school community.

I hope that you all have a lovely weekend.

Yours sincerely,

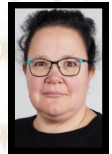

Alan Campbell, Head Teacher

Stars Of The Week

Daniel for his calm and patient approach with the students in his class and Emma for her constant

thorough and diligent approach to recording safeguarding incidents.

100% Student Attendance Award
