

Cambridge School Weekly Newsletter

Friday 24th November 2023

Dear Parent/Carer,

As you know our school motto is Learning for Life, Learning for Work and we are committed to giving our students as many real life experiences that prepare them for life beyond Cambridge School. This week 9 of our Year 11 students visited engineering firm Atkins Realis in Brixton and heard about jobs in the technology and energy industries. They were given a tour of the offices and were able to question a project manager about the challenges and rewards of the job. Shane Branney, Charlie Quelch and Aiden Worley overcame their shyness and were confident in their questions and conversations with unfamiliar adults. All of the students behaved impeccably and represented the school with pride.

On December 6th, Year 10 students will take part in a Speed Networking careers event held at school where they will quiz representatives from British Airways and Novotel amongst others about their jobs and face interview type questions in return. They will learn the skills necessary to impress and stand out from the crowd in a safe environment. We all know how threatening and intimidating interviews can be so this early practice will help them to face their fears and break down barriers. We are delighted to have such prestigious companies visit the school and this is testimony to the high expectations we have for our students.

I am looking forward to meeting many of you next week at our Parents' Evening on Wednesday 29th November from 3pm to 6pm.

Yours sincerely,

Alan Campbell,
Head Teacher
