

# Cambridge School Weekly Newsletter

Friday 29th September 2023

Dear Parent/Carer,

It has been yet another busy week here at Cambridge and we are getting into our stride with learning! I am pleased to report that attendance improved significantly last week, but there is plenty of scope for further improvement. Thank you to all parents for working constructively with the school to get the learners in to the classrooms in a positive, growth mindset.

We are always keen to educate our students in wider issues in society and to give them insights into others' lives. One of the ways we do this is to promote events like Jeans for Genes Day. Students got the chance to wear jeans to school which they find exciting and they learned about genetic diseases and birth defects. They raised £57 to contribute to research cures and provide medicinal support for those affected by genetic conditions. Today, we held a MacMillan Cake sale for students and staff, raising £120 for this superb charity. The students find these events inspiring and they learn about fundamental British values such as tolerance and compassion.

I would like to invite all the parents of Year 7 students into school on Thursday 12th October from 09:30 to 11:00 for an open morning where you can see how your child is settling in to school and meet teaching staff. Members of the Senior Leadership Team will also be available to address any issues you may have. This is the perfect opportunity to see first hand how your child is progressing.

I hope you all have a wonderful weekend!

Yours sincerely,

Alan Campbell, Head Teacher
