

# Cambridge School Weekly Newsletter

Friday 9th February 2024

Dear Parent/Carer,

I can't believe that we have got to the end of the first half term of the Spring Term already! It has been a short but intense half term packed full of learning and achievement. Students have finished sitting their first round of Functional Skills exams for the year and early indications of success are encouraging. The learners have behaved extremely well and have shown maturity, responsibility and resilience.

The breadth of the learning in school has been very impressive. Akala and Nightingale classes presented on LGBTQA+ rights in their respective assemblies showing good understanding and sensitivity. All classes enjoyed a delicious Chinese New Year lunch cooked by Joanne and her team in a Chinese style designed environment which was created by the Atlantic Pod School Council and Learning mentors, Fran and Liw.

I have been out and about conducting Learning Walks looking at the delivery of the Prince's Trust employability curriculum and I have been impressed by the focus and motivation displayed by all classes, but particularly in Armstrong and Wilberforce classes. The students are linking their learning from Emotional Intelligence and Executive Functioning to really understand the skills and qualities they need to succeed in the workplaces of the future.

I hope that you have a wonderful half term break.

Yours sincerely,

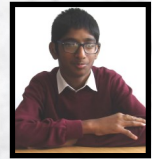

Alan Campbell,  
Head Teacher
