

Cambridge School Weekly Newsletter

Friday 23rd February 2024

Dear Parent/Carer,

It has been a lively start to the second half of the Spring term after the half term break. All students participated in an English Curriculum Enrichment day on Tuesday 20th February on the theme of self-expression. There was a real buzz around the school as students engaged in a series of activities and workshops to express their inner selves in a variety of ways. We have similar deep dive days planned for Maths and Science later in the term where students can explore topics in depth. We also have a Relationships and Sex Education day planned on March 15th and a letter outlining the rationale and contents will be issued to you all separately. It is vitally important for all of our learners to be empowered in this area due to their increased vulnerability. We will create safe spaces for students to learn about issues such as consent.

On that note of vulnerability, it has come to our attention that many of our students are creating and communicating in WhatsApp chat groups. These are on the most part fun and safe, but they can also be used as bullying spaces by some students. We do not condone any language of threat and intimidation, but we have to spend a lot of time which would be better used as learning time in investigating unkindness and cruelty in messages which take place out of school. I ask for your support in monitoring your child's screen time and asking who they are texting and why. It is your responsibility, as well as ours, to keep your child safe. We will always act on any report of online abuse, but we need you to be our close partners by ensuring your child is not abusing others. One person's banter and jokes, is another person's hurt and offence.

It gave me great pleasure to praise two of our Year 11 boys, Aiden Worley and Shane Branney, in Pacific Pod Assembly yesterday for their support, encouragement and empathy on the O2 trip this week. They were excellent team players as they coached a staff member with a fear of heights to conquer her fears and succeed. These are true Cambridge values in action and they are both Cambridge heroes.

Yours sincerely,

Alan Campbell, Head Teacher
