1. Aims

This policy statement aims to set out our school’s arrangements for managing the access of education and training providers to students for the purpose of giving them information about their offer. It sets out:

- Our legal obligations in regard to providers and access to students,
- Procedures in relation to requests for access,
- Details of premises or facilities to be provided to a person who is given access and the safeguarding policy he/she/they must follow.

2. Statutory requirements

Schools are required to ensure that there is an opportunity for a range of education and training providers to access students in years 8 to 13 for the purposes of informing them about approved technical education, qualifications or apprenticeships. Schools must provide a minimum of 6 encounters with technical education or training providers to all pupils in years 8 to 13.

Schools must also have a policy statement that outlines the circumstances in which education and training providers will be given access to these students. This is outlined in section 42B of the [Education Act 1997](#), the [Skills and Post-16 Act 2022](#) and in the Department for Education (DfE) [careers guidance and access for education and training providers](#).

This policy shows how our school complies with these requirements for students from Year 7-11.

3. Student entitlement

All students in years 7 to 11 at Cambridge School are entitled to:

- Find out about technical education qualifications and apprenticeship opportunities as part of our careers programme, which provides information on the full range of education and training options available at each transition point
- Hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships, through assemblies, workshops, speakers and events.
- Understand how to make applications for the full range of academic and technical courses

4. Management of provider access requests

4.1 Procedure

A provider wishing to request access should contact Mehr Shakir, Assistant Headteacher

| Career Insight Days- Be able to visit different companies and organisations to see what their day-to-day operations look like. Providers can invite students to visit their premises for a tour or taster session. This will be considered on the basis of other school events, staff availability and the cost of transport to and from the premises. All invitations are welcomed. | Year 9, 10, 11 |
