

Cambridge School Weekly Newsletter

Friday 8th March 2024

Dear Parent/Carer,

This week has been Careers Week in school and students have risen to the challenge by doing work experience with different professionals in school. They have been kitchen assistants helping our catering staff and I have been served lunch by students in full catering kit. They have helped with food preparation and presentation and have done a great job. Other students have been Premises staff, helping with small maintenance and repair tasks whilst others have been teaching assistants and PE assistants. Every one of the students has had a growth mindset and responded responsibly with great maturity, soaking up the experience like sponges to gain knowledge and skills. Our safer schools police officer, Graham Brown, delivered an assembly on police careers and today's assembly focused on apprenticeships.

Last Thursday night we gathered in St John's Smith Square in Westminster to honour our Jack Petchey Achievement Award winners at the awards ceremony. It was an upbeat and inspirational ceremony. Jack Petchey recognises leadership and community engagement within our school and it is a great scheme to be involved in. Thank you to Pam Pike for coordinating our scheme so efficiently and to Asandra Kamonen, the winner of our leader award for being a teacher who goes the extra mile day in, day out.

We are in an Ofsted window and could be inspected at any time over the next few months. I am keen to hear from you as parents how we are doing and what you think our strengths and areas for improvement are. I am copying a link for our Spring Term Parents' Survey and I urge you to complete this online by Friday 22nd March. Please complete the survey here; : <https://www.surveymonkey.com/r/DZS878Z>. We would like as many responses as possible so that we can keep improving the provision here at Cambridge.

Yours sincerely,

Alan Campbell
