

Cambridge School Weekly Newsletter

Friday 15th March 2024

Dear Parent/Carer,

School has been bathed in a red glow today as we had excellent take-up of "Wear it Red" for Red Nose Day. The students have enjoyed the experience of being "funny for money" and have been busy crafting their jokes to win points for their House teams and having the honour of their joke being read out to the school at next week's Assembly.

Today we held a Healthy Relationships and Sex Day for students in Years 9, 10 and 11 in Farah, Wilberforce, Rowling, Bevan and Armstrong classes. The students participated with great enthusiasm and energy and the levels of concentration and participation were impressive. Students attended three workshops; one on the law with an emphasis on consent, a second on online safety and social media and a third on intimate relationships with an emphasis on trust, respect and importantly, protection. These workshops will be adapted for other classes and made age appropriate for our younger learners. One of my mantras is, "Knowledge is Power" and we need to give our vulnerable learners clear and direct messages that will equip them to make the best choices and decisions in their emotional and physical lives.

Finally, a reminder regarding the parent survey. Please take the time to give us vital feedback that will help us help your child even better than we do already. We want to be an outstanding school so that your child will flourish and your views really matter to us. Here is the link again; <https://www.surveymonkey.com/r/DZS878Z>. Alternatively, you can request a hard copy from the office.

Yours sincerely,

Alan Campbell

RE:SET

Parents and carers,
We want to hear from you!

Cambridge school is working with Tender this year to become a **Healthy Relationships Champion School** by being part of RE:SET.

RE:SET is supporting us to deliver relationships education sessions throughout the school, including with families. This is to help you feel involved and understand what the project has looked like so far, and also that you are supported in how to talk to children about healthy relationships.

Tender will be hosting three parent and carer sessions and want to know what you'd like us to cover. Please scan the QR code and fill in the online survey to tell us what type of topics you'd like to cover. The school's unique ID number is 04544.

Please do not hesitate to get in touch if you require any further information and we look forward to having you involved!

THE SPACE - *a space to share*

The Space is a monthly, online forum for parents/ carers

- a reflective, informal and non-judgemental space
- a way of coming together to meet and talk with other parents and carers about the challenges and rewards of having a child in a SEN school
- the place to share experiences, ideas and thoughts with others about what you find helpful

a way to feel part of the **school** community

THE SPACE will continue monthly from March - July
