

Cambridge School Weekly Newsletter

Friday 22nd March 2024

Dear Parent/Carer,

This week has been a busy and productive one here at Cambridge School as we held a Science Day as well as a pop-up gallery exhibition. Students were thrilled to experience a virtual reality human body journey as they explored the amazing features we all have as our biological machines! Atlantic Pod students also made their own slime from scratch and this sensory experience was very stimulating for them. Wilberforce students proudly exhibited their animation films and creative photography self-portraits. The range of techniques mastered was impressive and I loved seeing the work they did with polaroids which is a real blast from the past!

Today we celebrated World Book Day late to coincide with the Book fayre in school. Many costumes were breath-taking, but my particular favourite was Nightingale class where the whole class dressed as the minions. This level of engagement and participation is really encouraging and many positive interactions took place around favourite books and characters. I got into Akala class this week to hear students deliver presentations on a product of their choice and to try and persuade this Scotsman to part with his hard-earned cash. Taelan, Bailee and Julius all did excellent presentations and produced eye-catching leaflets.

The school is deepening its involvement in the Tender:RESET part of the Inclusive and Nurturing Schools Programme and we are educating all our students on healthy relationships as part of the campaign to reduce domestic abuse in society. Staff are receiving bespoke training and workshops for parents are being planned, watch this space for further details.

Finally, a reminder regarding the parent survey. Please take the time to give us vital feedback that will help us help your child even better than we do already. We want to be an outstanding school so that your child will flourish and your views really matter to us. Here is the link again; <https://www.surveymonkey.com/r/DZS878Z>.

Alternatively, you can request a hard copy from the office.

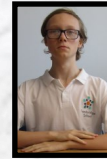

Yours sincerely,

Alan Campbell, Head Teacher

RE:SET

Parents and carers,
We want to hear from you!

Cambridge school is working with Tender this year to become a **Healthy Relationships Champion School** by being part of RE:SET.

RE:SET is supporting us to deliver relationships education sessions throughout the school, including with families. This is to help you feel involved and understand what the project has looked like so far, and also that you are supported in how to talk to children about healthy relationships.

Tender will be hosting three parent and carer sessions and want to know what you'd like us to cover. Please scan the QR code and fill in the online survey to tell us what type of topics you'd like to cover. The school's unique ID number is 04544.

Please do not hesitate to get in touch if you require any further information and we look forward to having you involved!

THE SPACE - *a space to share*

The Space is a monthly, online forum for parents/ carers

- a reflective, informal and non-judgemental space
- a way of coming together to meet and talk with other parents and carers about the challenges and rewards of having a child in a SEN school
- the place to share experiences, ideas and thoughts with others about what you find helpful

a way to feel part of the **school** community

THE SPACE will continue monthly from March - July

PLEASE JOIN US ONLINE @ 11.00 – 11.45am

THURSDAY 21 MARCH

THURSDAY 18 APRIL

THURSDAY 16 MAY

THURSDAY 20 JUNE

THURSDAY 18 JULY
