

Cambridge School Weekly Newsletter

Friday 5th July 2024

Dear Parent/Carer,

Firstly, apologies for the delayed publication of the newsletter due to staff absences. This will be a double edition week so watch out for part 2 on Friday when normal service will resume! The delayed publication means that I can report on Cambridge sporting success at the weekend. On Saturday, Cambridge School proudly represented QPR at the Premiership Disability Cup held at the Chelsea training ground in Surrey. We fielded a mixed gender team comprising Liam Passmore, Billi-Mae McKee, Shantaiyah Charles-Thomas, Aiden Worley, Connor Matthews and Louie Abberley. Our team played like heroes in the wet and windy conditions and finished runners-up in their Under-16 group, narrowly losing out to champions Fulham. Coach Harrison Slater did a sterling job of motivating the players and thanks to Cynthia Richards for driving the minibus! I am delighted that parents attended to support the players who learned how to compete with pride and dignity. It is not only the England team who did themselves proud on Saturday!

Last week, we also had great success in the creative arts as well as an exhibition of photographic portraits opened at the Lyric Theatre in Hammersmith. Akala and Bevan classes collaborated with Turtle Key Arts to produce striking and visually stunning black and white shots of themselves and staff. The students showed amazing creativity and explored their self-expression with amazing results. This was a fantastic project which has contribute to progress in each student's self-development.

On Thursday, all students will spend time with their staff and classmates in their new class for 2024-2025 and this will help them make connections and build relationships ahead of the new academic year. Teachers have also been compiling the end of year reports and now SLT are proof-reading them ready to be despatched to you next week. They will be sent by Parentmail so watch out for email alerts. If you require a paper copy, please contact the school office directly. By not posting hard copies to all parents, we are doing our bit in saving paper and the planet! Every small gesture contributes to the greater goal!
